3 Minutes of previous meeting / Actions

The following officers were elected at the previous meeting:

Chair – Ben Castell
Vice Chair – Ellen Gates
Treasurer and Diary Secretary – Catharine Wells
Communications – Kelly Pawlyn

4 Plan: Consultation responses

Around 20 sets of comments on the draft plan have been received. The committee's main task now is to organise the comments and decide how to react to them. The following steps were agreed:

1. **KP** to collate the comments into a single document for sharing with the committee. This will include any comments on the website.

2. **NB** to organise the comments in a table. Proposed headings are:
Source of comments - Section/Policy – Comment - Response – Reasons
Only the first 3 columns to be completed ahead of step 4.
3. LB Camden comments will not be in this table. **BC** to contact LB Camden to ask which of their comments they feel address issues that may mean that the draft plan does not meet the 'basic conditions'.
4. Next committee meeting will discuss how to respond to the comments.
5. **BC** to email Kentish Town Neighbourhood Forum to answer their query about housing capacity of Murphy's site. **KP** to provide BC with access to DPNF website.

5 **Reports on:**

- (a) Kentish Town Development Framework
- (b) LBC Dartmouth Park traffic meeting
 - **EG** to circulate or share plans and collate suggestions from committee to forward to Camden Council
 - **BC** to ask Camden officers if they would like to initial options to be shared wider
- (c) Camden Transport Strategy Workshop, 4 July
 - **KP** to attend
- (d) Shuttle buses meeting

6 **Future meetings**

CW to circulate poll for 16, 17, 19 July. Subsequent meeting will be in September.

7 **AOB**

- Community Conversation on local crime to be held on 5 July. **KP** to publicise on social media.
- York Rise Street Party is 9 September. To be discussed at next meeting.
- First CIL monies are available. Councillors' choices, based on consultation and feasibility, are Holly Lodge Community Centre and signage project.
