**1 Neighbourhood Plan**

- Now that we have made the changes resulting from the Examination, Camden Council have accepted that the Neighbourhood Plan can proceed to referendum.
- A possible General Election has implications on the timing. Clare Oakley, Camden's Elections Manager, has offered 2 tentative weeks. The Committee agreed to request 10<sup>th</sup> or 11<sup>th</sup> December. **BC** to confirm referendum date with Camden.
- The following publicity strategy was agreed in the run-up to the referendum:
  1. Events, including holding AGM one month before
  2. Publicity in Camden New Journal (Dan Carrier) and Ham & High (Sam Volpe, or Woodsome Road staff journalist)
  3. Leaflet with a few key messages
  4. Social media blitz and emails to database
- **BC/KH** to ask Alicia Pivaro at Highgate Neighbourhood Forum for advice on preparing for referendum.
- **VD** offered the use of her graphic designer for the flyer or poster.
- Further meeting or discussion needed once dates are confirmed.

**2 AGM**

- Date to be confirmed once referendum date is finalised. 12<sup>th</sup>, 13<sup>th</sup> or 14<sup>th</sup> November.
- Chetwynd Road Chapel and Highgate Library Annex are possible venues.
- Could have short presentations from developers, like Murphys, to stress where the Plan will have impact.

**3 Murphys/Kentish Town Planning Framework**

- Ellen and Ben attended a meeting with Murphys and their architects just before their exhibition. Their initial ideas have much to support but there is a concern about their enthusiasm for towers.
- No evident progress on Camden's Kentish Town Planning Framework.

4 **Chester Road Hostel proposals**

- Exhibition on revised scheme on 26 September. **BC** to ask Camden to send the boards to circulate to committee and publicise.

5 **Liaison with Waterlow Park**

- Waterlow Park Trust Advisory Group: **CW** to seek clarification from on communications with DPNF

6 **Highgate Cemetery**

- Planning consent for works relating to reopening of Chester Road gate still not granted. **CW** to speak to Cemetery about how we can support the proposals.
